

PRE-AUTHORIZED PAYMENT PLAN

Please complete this form and return with a VOID cheque to:

Niagara-on-the-Lake Hydro Inc
PO Box 460
Virgil, ON L0S 1T0

It's economical... Automatic deductions eliminate postage costs and the possibility of late payment charges.

It's voluntary... This plan is optional. This authorization may be cancelled at any time upon written notice to Niagara-on-the-Lake Hydro Inc, allowing reasonable time to act upon your request. Upon such termination, any balance due thereafter shall be payable directly to Niagara-on-the-Lake Hydro Inc. If a credit exists on the customer's account it will be applied to the customer's next bill or refunded upon request.

How does Pre-Authorized Payment Plan Work?

Niagara-on-the-Lake Hydro Inc will continue to send your bill to you. This way you will know what day your payment is due and the amount that will be debited from your account. On the due date your bank will automatically deduct the amount from your account, just as if you had presented a cheque. Your payments are recorded automatically and individually on your monthly bank statement or pass book.

I have read and understand the Pre-Authorized Payment plan and authorize my bank to debit my Canadian account for all billing payments payable to Niagara-on-the-Lake Hydro Inc for payment of our hydro and/or water bills.
