On-The-Lake
HYDRO

**How can we serve you better?
Do we have the right priorities?**

Niagara-on-the-Lake Hydro will be presenting our plans for the next 5+ years of investments & operations and want to know what you think about it. NOTL Hydro is community owned and profits go back to the community.

**April 17, 2018 at the Hilton Garden Inn
500 York Road starting at 3pm and 6pm**

If you would like to submit comments, please visit our website. A link to the Open House will be on our home page. Presentation materials will be made available April 18th by 11am on www.notlhydro.com.

Is Solar Power Right for You?

Solar power is captivating but can still be expensive. **Find out from the experts.** We will be talking about how solar power can reduce your hydro bill and will also have a presentation from an area solar provider. Stay a little longer and hear about NOTL Hydro's rate application. Have your say to your community-owned utility.

April 17, 2018 at the Hilton Garden Inn
